FmHA AN NO. 1059(1940)

August 7, 1984

SUBJECT: Authorization to Approve and Obligate Hardship
Case Economic Emergency (EE) Loans

TO: All State Directors, FmHA
and Assistant Administrator,
Accounting and Director, Finance Office,
St. Louis, Missouri

Each State Director is authorized to approve the hardship economic emergency (EE) loans in categories I and II, as was requested by comet messages.

As indicated on the attached list, we are authorizing approval of all requested loans in category I, insured and guaranteed, and all requested loans in category II, insured. We have had to reduce the numbers of guaranteed loans requested in category II due to the exhaustion of funds. However, we have authorized as many of those loans as funds permitted on the basis of your requested priority for funding.

We anticipate all EE funds will be exhausted in the very near future. We are, therefore, requiring that you approve and obligate all loans authorized by this AN not later than the close of business Friday, August 31, 1984. The National Office, Emergency Division, and the Director, Finance Office will be promptly notified by telephone, with confirmation by comet message, of any loans authorized to be approved that are unable to be approved by August 31, 1984, or are cancelled for whatever reason. This will enable us to redistribute those funds where they are needed and will be utilized.

The Director, Finance Office is authorized to obligate insured and guaranteed EE loan funds for each State in amounts not to exceed those shown on the attached list.

CHARLES W. SHUMAN
Administrator
